

Contract for **TI-Nspire** Usage
From the Math Department at Thurston High School

Teacher: **Mrs. Mallory Ringbloom**

Hour: _____

I am borrowing a TI-Nspire graphing calculator from Mrs. Ringbloom during class. I take full responsibility for this item in case something happens to the calculator. When I get the calculator at the beginning of each class, I will inspect the calculator. I will inform the teacher **at the beginning of the hour** of any damage or malfunction; then return the calculator to the teacher at the end of class. I understand that if the calculator assigned to me becomes missing or damaged, I will have to pay for the repair costs or replacement of the calculator, which could cost approximately \$130.00.
